### Bachelor of Science

**Govt. Shrimant Mahavrao Shindhiya Adarsh Science College**

📅 01/2016 - 05/2019 📍 Gwalior, India

## SUMMARY

I am a passionate Full-Stack Developer and Mentor with over 5 years of experience building high-performance, scalable web applications using technologies like React.js, Node.js, PHP, Laravel, and MongoDB. I have successfully led teams of over 30 developers and supported more than 50 junior engineers, driving significant improvements in user engagement and operational efficiency.

## STRENGTHS

### Leadership & Mentoring

Experienced in leading teams and mentoring junior developers, fostering a collaborative environment focused on high-performance outcomes.

### Web App development

Built over 20 full-stack web applications utilizing PHP, Laravel, Node.js, HTML, CSS, and JavaScript

## KEY ACHIEVEMENTS

### Mentorship and Leadership

Effectively mentored numerous developers, leading complex projects and driving significant improvements in team performance.

### Frameworks

Developed four JavaScript-based frameworks for the frontend, designed for high speed, ease of use, lightweight structure, and cost efficiency.

## SKILLS

CSS	Front-end	HTML	Javascript	
Laravel	lumen	MongoDB	MySQL	
Next.js	node	node.js	NoSql	
PHP	react.js	SEO	Shopify	SQL
